Hondo Boy Scouts

Review Board Held

Hondo Boy Scouts were advised in rank, following a Board review for advancement Tuesday night.

Nesting Practice Hondo

H. M. Nesting, formerly of Hondo, is now practicing with Dr. T. B. Knopp at Hondo.

Nesting is 25 years of age and is a 1954 graduate of the University of Texas. He has been in the service for the past 18 months and his name is Penny.

Member of Psi Omega Dens, Nesting and the American Association, he has just returned on a tour in the Navy, stationed in Hawaii and the Marshall Islands. He was a lieutenant.

OLD SURVEY mark on a mesquite tree located about ten miles southeast of Hondo is shown above. Part of a feature story on county survey marks carried in this week's edition of Sun and Soil. The blaze shown here was made more than 100 years ago and is described in the official records.

chairman, Hubert Hermes, Milton Renken, Hugh Meyer and Robert Zuberbuehler. The meeting was held at St. John's Parish Hall.

\$104 Check Returned To Owners

Sometimes people do lose checks but we doubt if checks sometimes lose people.

Early in May, a couple (name omitted by request) sold a bull and received payment through a \$104 check. Placing the check under an ash tray on the television set, the couple retired for the night.

Upon arising the next morning, the check was gone — where, no one knew.

A large rat was often seen running through the house, and the couple had tried many ways to catch it, only to fail. But they had been setting traps loaded with cheese. The cheese was always missing and the rat snapped but the rat made his get away.

Last Saturday night, while the couple sat watching television, they again saw the rat, this time with a piece of paper.

After five months, the rat returned the check, and ordered more cheese — she had stopped baiting traps one week before.

Mrs. Haby Dies After Heart Attack

Mrs. Nick Haby (Nee Ida Haby), 80 years of age, died of a heart attack at her home above Rio Medina Thursday morning Aug. 30, 1956, at 9:45 a.m.

Mrs. Haby was born June 18, 1876 at Haby Settlement. At the time of her death she was 80 yrs. 2 months and 12 days old.

She is survived by her husband, Nick Haby, and three children, Philip and Russell Haby and Mrs. F. G. Carle, and three grandchildren all of Rio Medina.

Services were held Saturday morning, Sept. 1, at 9 a.m. from Tondre funeral home then to St. Louis Catholic Church, where she had been a life-long member. Rev. Leo Goertz officiated at Mass.

Interment was in St. Louis Cemetery, Castroville. Pallbearers were all nephews of the deceased — C. A. Haby, Milton Haby, Sterl Haby, Silva Haby, Robert Burrell Sr. and Cornelius Schott.

CATHOLICS HOLD MEET IN HONDO

The quarterly Conference of the priests of the Castroville deanery was held in Hondo at the Rectory, Sept. 12.

Those attending were Rev. Armond J. Weber, V. F., of LaCoste; Rev. John Van Lare, C. M., of Cotulla; Rev. Evaristo Poix, O. C. D., Pearsall; Rev. Thomas Benke, O. C. D., Pearsall; Rev. The Medina County ASC Community Committee Election will be held next Monday. Ballots for the annual election have been mailed to all known eligible voters. They should be returned to the ASC office in Hondo by mail or in person before Monday. The ballots must be postmarked by that date, or if delivered in person, must be taken to the ASC office by 5 p. m. on that day.

Castroville High School now has a new scoreboard for their football stadium. It has an electric timer and was donated through the courtesy of the Castroville Parent-Teachers Association and Medina Motor Sales, Hondo.

The D'Hanis Pirates will take on LaCoste in a best two out of three series in the finals of Highway 90 League action Sunday at LaCoste. D'Hanis ran over Castroville last Sunday 10-1 and LaCoste beat Rio Medina 8-1 in their playoff series.

Coach Bob Nations of the Junior High School Hoots attended a meeting of district coaches in Pearsall this week and came back with a schedule for his team. The Hoots will open their season Sept. 27 against Pearsall at Hondo. They will also play Dilley and Carrizo Springs.

An article, carried by the Houston Post and written by George Fuermann, tells of J. Frank Jungman of Houston and Arthur H. Jungman of Hondo, buying weekly ads in the Anvil Herald to print the prayer for rain from the Common Prayer Book (Episcopal). The ads ran from July 20 to Aug. 17, and may have had some help in bringing much needed rain to this area.

Two Medina County citizens received masters degrees from the University of Texas at the end of the summer session. They were John David Gavenda, Rio Hondo, with a master of arts degree, and Ronald Cecil Keller, Castroville, with a master of education degree.

MRS. BERTHA JUNGMAN, 73, died suddenly at her home on Rt. 9, San Antonio, Sunday, Sept. 2, 1956, at 3 a. m. She had been in ill health for the past few years. Services were held Tuesday morning, Sept. 4, and interment was in St. Louis Cemetery.

Methodist Will Hold School Night

Public School Night will be observed by the First Methodist Church of Hondo Sunday, Sept. 16. The 7:30 p. m. church service will honor school teachers, and will also recognize students and their parents.

New teachers in Hondo schools are especially invited. Special music will be provided by a quartet and the Senior Youth Choir. The sermon will be, "Life's Courses: Elective and Required."

A book will be presented to the teacher present who has the most students present. At 6:45 p. m., there will be a film for everyone, entitled "The Family Next Door."

Fifty new chairs have been received to provide adequate seating for all.

Two Business Houses, Warehouse Entered

Three Hondo burglaries left Medina County Sheriff Charles Hitzfelder with one Hondo man and two juveniles in his custody this week.

Rogelio D. Carmona, 23, Hondo, has been apprehended in connection with the burglary of Mussen Produce on the morning of Sept. 1. A. D. Tomerlin, night watchman, said he saw a man jump out of a window about 2 a. m. Monday morning, but was unable to catch him at that time.

Carmona was later arrested by Hitzfelder and his deputies, and is now being held in Medina County jail.

Carmona was at one time employed by Mussen. The only thing missing from the produce

house was several dozen eggs. There was no money in the cash register.

Another burglary, on the night of Sept. 9, has brought about the apprehension of two juveniles. The REA Warehouse was entered but nothing was missing, according to Hitzfelder. The warehouse is located on the old Air Base property.

The third burglary, which has the Sheriff's Department baffled for the time being, was sometime between Friday afternoon and Monday morning at the Mustang Shoe Factory.

Officials of the shoe factory do not know the exact number of shoes taken from their storage, but do know some were stolen. A complete inventory will have to be held before the exact loss is known.

Entrance to the building was gained through a window and tire tracks were leading up to the building. There have been no arrests in the case.

The burglary was reported by Mrs. Bonner Carl, when she reported for work early Monday morning.

Owl FFA Names Queen

Hondo's FFA Chapter named Miss Joylene Tilley as the FFA Sweetheart in their regular FFA meeting Monday Night. At a later date, she will be presented with an official FFA Sweetheart jacket.

Miss Tilley, the daughter of Mr. and Mrs. Joy Tilley, is a junior in high school. Other honors she holds in the high school at present are a member of Owl Band, majorette and is a member of the Future Homemakers of America.

The meeting was well attended by 35 members and 23 first year vocational agriculture boys. The FFA dues for the year were set at \$1.50 as they have been for the past four years. Ninety cents of these dues will be spent for area, state and national FFA dues. Oct. 15 was set as the deadline for paying dues.

John McAnelly gave a talk on "School, Chapter and Community Pride." He expressed the desire for the Hondo Chapter to have some teams qualify for the State Leadership Contest again this year.

The treasurer reported that \$13.40 was made on rent of cushions at the Hondo-Nixon football game. The freshman boys were praised for their efforts in renting cushions. The practice drill in parliamentary procedure lasted for 15 minutes with all boys participating.

After the meeting, FFA boys joined the FHA girls for refreshments in the cafeteria. After the FFA Sweetheart and FHA Sweetheart were announced a pep rally was held.

Air Reserve

Hondo now has an Air Reserve program, according to Lt. Col. Thomas Wren, commanding officer, 9878th Air Reserve Squadron, with headquarters in Kerrville.

The group will be attached to the Kerrville Squadron and will be known as Flight F, with Lt. Col. Alexander C. Strickland Jr. as commanding officer.

Boosters Will Hold New Drive

The Devine Band Boosters Club will hold a membership drive Saturday. The Warhorse band will play an open air concert tomorrow morning from 9:30 until 12 noon, in front of the Medina Valley State Bank building.

Funds collected during the membership drive will be used to pay for new band uniforms. The Boosters will again sponsor the football concession stand at home games and this year, the popcorn stand will be located in the south end of the west stands.

The birthday calendar campaign has begun and everyone is urged to place their birthday, anniversary or club meetings on the calendar, which is a big benefit to the band.

The Boosters are now meeting on the second Monday of each month, in the high school band room. Everyone is welcome to attend.

ELSIE STANGA, left, talks over business of the day with Willie Glaeser, Sabinal; Erna Galbreath, District II B&PW Director from San Antonio; and Wilma Weber, Devine. The four B&PW Clubs

met Monday night for a covered dish supper in Hondo. Reports on the recent District II Conference held in San Antonio were given.

David Schott, son of Mrs. Helen Schott, started his junior year of college in Kingsville Sept. 13.

Cpl. James Silvers who has been stationed at Ft. Monmouth, New Jersey, is now on a 26-day leave, visiting his parents, M&M Bill Silvers.

James will report Oct. 3 for a trip to Germany, where he will spend the next 15 months.

Castroville Assembly Opens School Year

School opened for Castroville High School Students Sept. 4, with a full day schedule. A General assembly was held and new teachers and students were introduced.

The Wildcat Band made its first public appearance during the half time of the Southwest — Castroville game Friday night, under the direction of Bonnie Nell Haby, drum major. High stepping majorettes are Mary Gail Griggs and Jackie FitzSimon. Leading yells for the Wildcat Band and pep squad are Mary Ann Bayer, Mary Mangold, Cappi Graneri and Julia Chapman.

The Pep Squad under the sponsorship of Mrs. Utah Evans, met Monday and elected officers s. They are president, Mary Ann Bayer; secretary and treasurer, Mary Mangold.

The Cafeteria is under the management of Mrs. Elmer Saathoff and Mrs. Paul Schott this year.

The Wildcat Football team met and elected Tommy Bippert and

Dick Fletcher as their co-captains.

Rose Marie Schneider, Jackie FitzSimon and Bonnie Nell Haby have undertaken the task of being school news correspondents and keeping up the school scrapbook.

The Junior Class is planning a waste paper drive. Phone 20 and a member of the Junior Class will call for your contribution Saturday afternoon.

The Senior Class has undertaken the project of interviewing the faculty. The interviews will be published in following issues of this paper.

New Program Is Offered By Air Force

Sgt. Lee Rankin, The Air Force Recruiter in Hondo, has been notified by Capt. Thomas H. Baker, Commander of USAF Recruiting Detachment, San Antonio, of a new Air Force program which permits young men to select their career field before they enlist.

This is a radical departure from AF practices Capt. Baker said. Under this new policy each young man, prior to enlistment, will be given aptitude tests in San Antonio and can choose the field in which he would like to receive training, commensurate with his proven aptitudes as shown in the test scores. Further, he will be guaranteed technical school training in the field he selects upon completion of his training at Lackland Air Force Base.

This program is only being used in this area and one other within the United States. The young men of this area have an opportunity to get a jump ahead of other young men going into the Air Force at present by being able to pick the specific career field they want before enlistment.

Enlistments under this program are now being taken by Sgt. Rankin. He can be contacted at the Post Office on the second and fourth Tuesday of each month. His office is open from 12 noon to 2 p.m.

Constitution Party Picks Candidates

AUSTIN, Tex. — Conservative and Liberal Democrats are battling each other. Republicans are active. But the Constitution Party of Texas now is in the spotlight.

At their Austin meeting the Constitution Party grabbed headlines by naming, as their nominees, prominent Democrats who have been active in recent campaigns. Their choice included W. Lee O'Daniel for Governor; J. Evetts Haley for Lt. Governor; Reuben Senterfitt for Attorney General; Warren G. Harding for State Treasurer, and Ross Carlton for the Court of Criminal Appeals.

Congressional candidates will be chosen later.

Secretary of State Tom Reavley challenged the Constitution Party's right to nominate any candidate who had been defeated for the same office in the recent primaries.

Joseph M. Rummier of Houston is state chairman of the Constitution Party. Their presidential nominee is Democrat T. Coleman Andrews, former Internal Revenue Commissioner of Richmond, Va. Former Republican Congressman Thomas Werdell of California is their vice presidential choice.

Major plank in the party's platform is elimination of federal income taxes.

Artificial Rain

Possibility of moistening droughty Texas by artificial rainmaking may be debated in the next Legislature.

After hearing state and federal experts at an Austin meeting, the Texas Water Resources Committee voted to dig deeper into the subject. If findings are favorable, the committee indicated it would recommend legislation and appropriations for a long-range, statewide project.

Scientists were cautious in their claims before the committee. Much is yet to be learned about what makes rain, they said, and previous experiments have not yet been thoroughly evaluated. But they agreed prospects were promising enough to merit further research.

"Soaker" Wanted

Scattered showers have helped, but most Texas farmers still are scanning the skies for a "fall soaker."

U. S. Dept. of Agriculture's latest crop report reflected increasingly critical conditions. Examples: cattle, "forced to market"; peanuts, "past redemption"; dryland cotton, "extremely short"; vegetable planting, "limited." Only irrigated cotton was reported "fruiting heavily."

GI Loan Payments

Delinquencies on veterans land loans have dropped 19 per cent since 1954, said Land Commr. Earl Rudder.

Payment failures ran 20 per cent on loans made under his predecessor, Bascom Giles, said Rudder. Under the new administration they have dropped to one per cent.

Some 13,000 requests from veterans for loans now are pending before the land board. Present funds will stretch over only about 1,000. More money will be available if voters approve a constitutional amendment for a new \$100,000,000 bond issue at the general election.

Rail Suit Ruling

Smithville, an old railroad town, lost another round in its prolonged attempts to retain offices of the Missouri-Kansas-Texas line.

An Austin district court upheld the Railroad Commission order permitting consolidation of Smithville and Waco offices.

Unique aspect of the case was the "all-star" legal line-up. A former Supreme Court Justice, James P. Hart, represented Smithville. Former governor Dan Moody represented the railroad.

Insurance Code

Texas' new "model insurance code" now is in full force and effect.

Last measure to be activated requires companies to have a minimum of 100 policyholders and \$200,000 insurance in force.

An Insurance Commission spokesman called the requirements "actually very easy to meet" and predicted almost 100 per cent compliance.

Target of the law are companies which, for tax purposes, have operated other type businesses under the guise of insurance firms.

Both Governor Shivers and Commission Chairman Bryon Saunders have praised the state's insurance laws in recent statements. Saunders said Texas does not need "any additional reform measures," only "minor changes."

Lose Accreditation

Eight Texas schools have been removed from the accredited list by the State Board of Education. In addition, the board warned 111 other schools they must improve their standards.

Stripped of accreditation were Bexar County School for Boys, Carey (Childress County), Douglassville (Cass County), Houston Christian School, New Hope (Wood County), Seranton (Eastland County), Strong (Shelby County) and Sacred Heart (Cooke County).

These schools are ineligible to receive state money for vocational programs and superintendent pay. Their graduates must take entrance exams to enter college or another school.

New Court Asked

Texas lawyers have been asked to help persuade the 55th Legislature to allot Travis County a fourth district court.

Dist. Judge J. Harris Garber pointed out that he and the other two judges face hopelessly jammed dockets.

In addition to local cases, the vis courts get almost all suits brought by and against state agencies.

Short Snort

William H. Wood of Midland has been appointed by Gov. Shivers to the State Board of Pharmacy. Wood succeeds Shivers.

Phillips of Big Spring... Eight more Texas counties have been designated drought disaster areas by the U. S. Dept. of Agriculture.

They are Cass, Delta, Fannin, Gregg, Harrison, Martin, Smith and Upshur... Farming manufacturing is one of the fastest growing industries in Texas, expanding 10 times as fast as population.

University of Texas Bureau of Business Research reported the state's furniture output increased from \$23,000,000 in 1939 to \$98,000,000 in 1955. Texas will have 1,954 new lawyers added next Monday when the Supreme Court will officially license those passing the state bar exam.

A \$16,000,000 increase in Texas farm income for 1956 has been predicted by the Texas Agricultural Stabilization and Conservation Committee. This unofficial estimate was based on the belief that large numbers of farmers will take advantage of the federal soil bank law.

RECALLS SOME ALL-BUT FORGOTTEN HISTORY OF LOCAL INTEREST

"LOST TOWN"

Can you imagine any such thing ever happening?

And if there were such a thing and why did it get lost? By people who have lived long enough to have known the "old-timers" talked to the County had at that Medina County had at one — though if it had a we have either forgotten it or never heard it.

The columnist has been informed by more than one of the "old-timers" that before the flood was ever dreamed of, there was a small but thriving town nestled on the "flat" just west and somewhat to the north of Highway 90 bridge now at the Hondo Creek.

The town promoted the enterprise, established and by whom, how many constituted the town, is now lost to memory. However, its demise is not, as some other instances, attributable to the malevolence of the flood in spitefully building it.

It seems to have suffered a "hand" of Nature, and sudden and more disastrous following a destructive flood, like of which is not known to have occurred before or since, covered the townsite at the time in the '80's the same abandoned by the inhabitants, and one would search in vain to find remaining now a landmark to indicate that once been the scene of a thriving, happy population of villagers.

Legend that still survived is among the wreckage of things was that of a mill, owned and operated by the late Joe up stream a short distance from the present highway bridge, was washed away.

Horn, who, following this water, moved to Quihi and that community for many years as blacksmith and wheelwright, had come from Mexico where he had resided before settling on the creek and establishing his mill.

He was reputed to have had in his possession a considerable amount of silver of Mexican coin, all of which was presumably washed away in the flood. It is understood that there have been many searchers down

TELEPHONE TALK

by Winston Rozelle, Manager

Visit Again By Telephone

At this time of year, vacations are over for most of us. And I suppose if you're like me, you are already looking forward to next year's. But it's a good thing to remember that those miles that took you hours to cover on your trip can melt away in seconds with a Long Distance call.

That way, you can thank your friends or relatives by telephone for all the fun you had during your vacation visit. They'll appreciate it, and will enjoy hearing your voice again.

Or maybe you met friends on vacation. There's really no better way of keeping in touch with them than by a friendly Long Distance call.

Rates are lower after 6 p. m. every weekday, and all day Sunday. This makes it easier to recall the happy vacation days all year long. Remember, too — call by number... it's twice as fast.

Why Run? Just Reach

Some time ago, I heard a good slogan for extension telephones. It was, "Why run for the telephone when you can reach for it?" It makes sense, too. You arrange furniture and appliances in your house so that they'll be convenient for you. Why not carry this convenience over to your telephone service?

Most homes could use an additional telephone. The kitchen and bedroom seem to be the most popular spots for families now enjoying life with two telephones.

The cost is small for an extension. An installation charge of \$2.00, and the monthly rate of \$1.00 can make you a "two telephone family."

Looking Up Words

You know, people sometimes use words for years before finding out exactly what they mean. Usually, they're pretty close, but it never hurts to dust off the dictionary and look up a word.

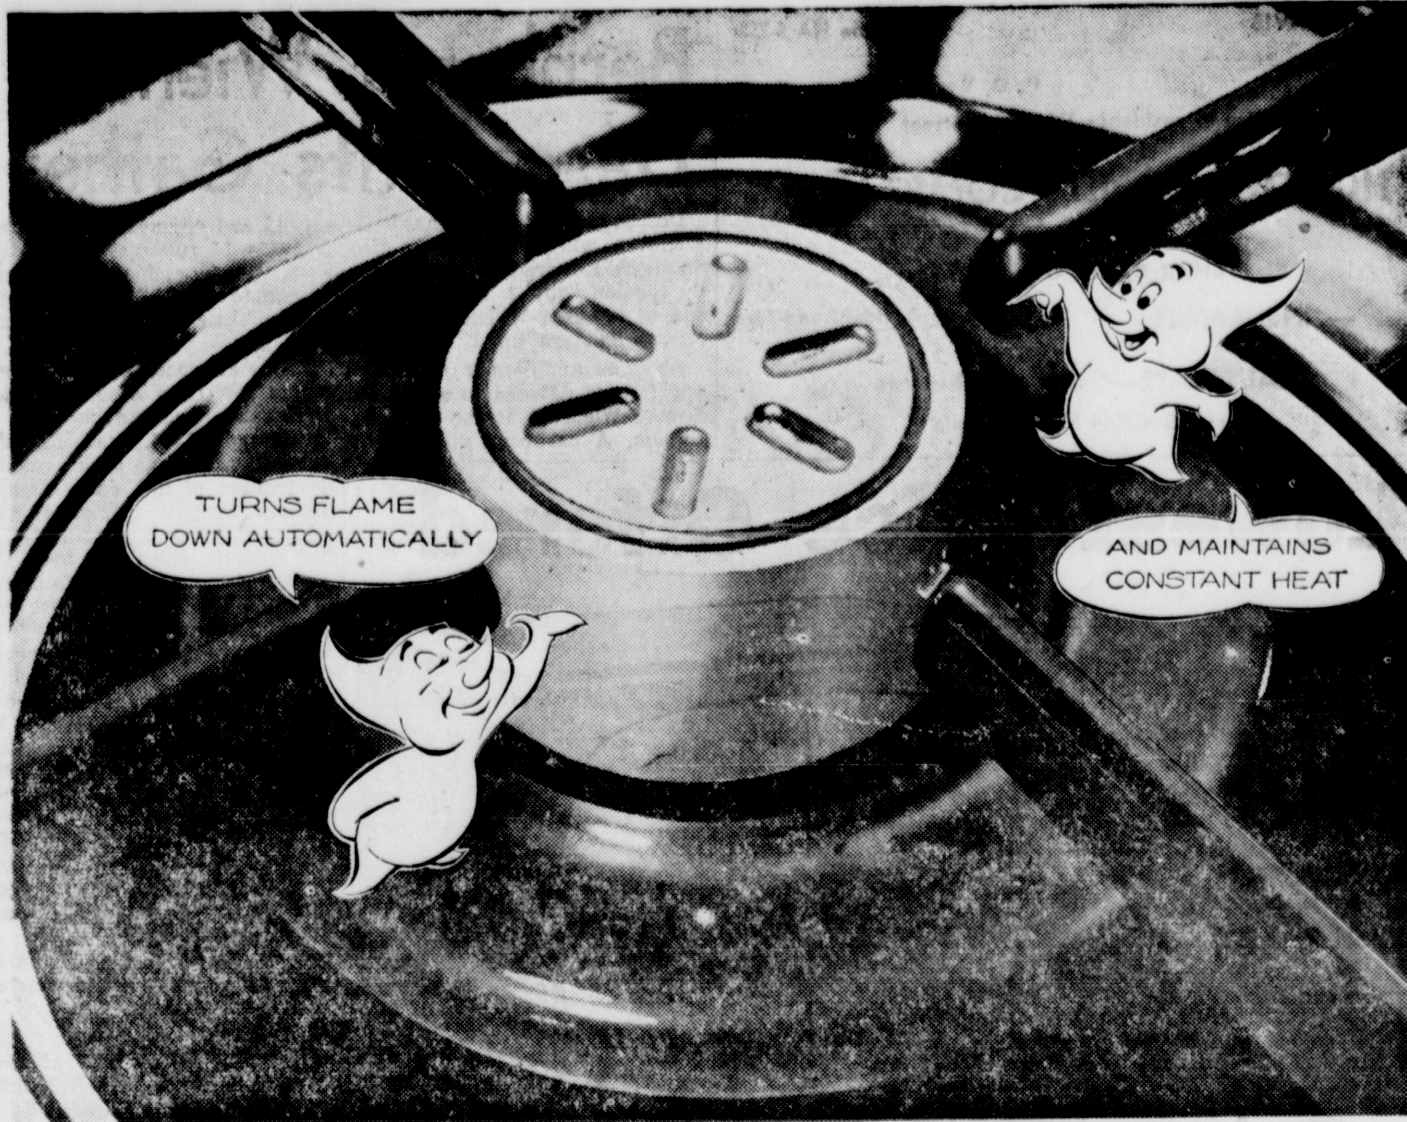

I did it the other day to find the definition of "value." We talk about value of service a lot in the telephone business, and I wanted to know once and for all just exactly what "value" meant.

In simple terms, it means "real worth." So if you stop and think a minute about how much the telephone does for you, we think you'll agree we're not misusing the word "value" when we talk about telephone service.

For, you see, a good part of the "real worth" of telephone service is the telephone's ability to help you do more things easier day after day.

Call by number. It's twice as fast.

Imagine...a gas burner that PREVENTS BOIL-OVERS!

There is something new under the sun. New gas ranges now feature a top burner control that makes every pot and pan automatic — prevents boil-overs, avoids excess heat in the kitchen, cooks cooler and cleaner than any range you've ever seen. You simply dial the temperature you want. Set it and forget it! Ask for a demonstration of the "burner with a brain" wherever fine gas appliances are sold.

Bernhardt Wiemers Descendents Gather

Descendants of the Bernhardt C. Wiemers and wife Zeda, nee Saathoff, gathered for their family reunion Sept. 2, at the Campsite of the Ben Wiemer's family on the Bandera Road.

About 60 members of the family and friends listened to a talk by Mimke Wiemers at the morning session. A barbecue dinner was served and enjoyed by everyone. A group of relatives from Atascosa County added color and humor to the occasion by coming in their colorful centennial regalia.

In the afternoon business meeting, a few talks of appreciation were made and the historian of the group, W. H. Saathoff, from San Antonio, gave an interesting description of the early family history. He gave special recognition to the New Fountain Methodist Church which has been the center of the religious life of the Wiemers family for almost one hundred years.

July 5, 1956, marked 100 years since the grandfather and grandmother, John H. Wiemers, were united as man and wife.

There were six uncles and aunts present who have survived the biblical age of three score and ten years.

They are Mrs. Janie Saathoff, 89; Mrs. Louise Saathoff, 81; W. H. Saathoff, 80; George Wiemers, 83; Theo J. Wiemers, 81; and Mrs. Katie Wiemers, 81.

Equally remarkable is the family record of a hundred members, of whom 94 are still living. The record is as follows:

Nine children, eight of whom are living; Ten in-laws, eight living; twenty nine grandchildren, 26 living; 19 in-laws, all living; 33 great-grandchildren, living.

The group sang German and English Hymns.

The next reunion will be held in 1957 at the same location.

HONDO

This Week In Washington

By Clinton Davidson

If you like to go to a county fair you would have enjoyed the Republican National Convention, San Francisco. Everybody was a holiday excitement to give a real thrill.

You would have gotten the impression that the Republican Party didn't have a worry in the world. It was in San Francisco whooping it up at a sort of family reunion and, incidentally, nominating Dwight D. Eisenhower for either four years in Washington.

Cow Palace, where delegates assembled to sing, cheer and dance, had all the gaiety of Midway at a county fair. Banners, flags, bands and parades added to the festive atmosphere. The contrast between that and the Democrats at Chicago was stark.

The Democrats were taking their politics in dead earnest. They had been out of power in Washington for four years, for the first time since the 1932 convention. They were so eager to get into office that they even fought among themselves.

In San Francisco it was different. You got the impression that Republicans regard the election in November as a mere formality. They were very pleased with the way they have been running the federal government the past four years, and certain that most voters feel the same way.

Joseph W. Martin, Jr., minority leader of the House, told us that for more than 40 years it has been his privilege to serve the American people in public life. Never before has the faith and hope of our people been directed so intently upon the Republicans.

For all of the optimism and gaiety it was a well-organized, efficient and most frequently used to describe the convention was "it's going just like clock-work." And it was, too.

The women may have had something to do about things being both gay and orderly. Women delegates and party officers played a far greater part in the conventions this year than ever before. In 1900 only one woman was a delegate to one of the conventions, but this year the same convention had 555 women delegates and alternates.

Mrs. Carroll D. Kearns, President of the National Federation of Republican Women, was one of the outstanding personalities of the convention. Referring to the spirit of aggressive optimism that prevailed, Mrs. Kearns told us the eyes and ears of the world are directed to this gathering. It is the American people themselves who give real significance to the accomplishments of this convention.

Republicans put on their Sunday manners for the whole country to watch over television, and for news photographers and newsmen. I was especially attracted by the 20-foot high platforms on which cameramen were perched. The long camera lenses looked like stovepipes. Some of them were 4 and 5 feet long. Cameramen sent down film and received replacements by means of a canvas bag on a rope.

There was little of the suspense that prevailed at Chicago; no frantic campaigning by managers for different candidates; no bargaining for the votes of delegates. Everybody knew in advance whom they would nominate. They whooped it up for Eisenhower and Richard Nixon, but that was what they came to San Francisco for.

The minutes of the previous meeting and the financial report was given by the deaneary secretary, Mrs. Walter Breidenbach.

Mrs. Selma Baltz of Devine was appointed chairman of the nominating committee with Miss Carrie Langfield of D'Hanis and Mrs. Alvis Lagleder, LaCoste.

Reports were received from the deaneary chairmen on Spiritual Development, Charities, Social Action and Public Relations, and Family Life.

The next meeting is scheduled to be held in February, 1957, with the LaCoste CCW as hosts.

The ACCW will hold their annual convention Oct. 2 and 3 in San Antonio. All members of the CCW were urged to attend.

Following the meeting, fruit punch and cookies were served to the guests.

Holt Company To Co-Sponsor Soil Awards

Howard R. Murphy, President, Wm. K. Holt Machinery Co., San Antonio has announced that his company will be a co-sponsor of the Fort Worth Press Conservation Awards Program in 1957. Each year The Press sponsors a program to honor farmers and ranchers in the 172 Soil Conservation Districts of the state for outstanding work. In a letter to Holt on August 15, Fort Worth Press Editor Walter Humphrey wrote: "Thank you for your telephone call, your letter and the word that the Wm. K. Holt Machinery Co. wants to join our list of sponsors this year. We welcome the company into the fold."

Holt Machinery is the Caterpillar distributor for South Texas and the largest machinery distributor in the state. They have long supported soil and water conservation programs. Rootplowing and range seeding of brushlands is but one of many contributions made to agriculture. In recent months field days in nine soil conservation districts have been held with Holt Machinery co-operating in each. To date over 1,500 have turned out for the field days.

Conservation News

Blue panic grass on rootplowed
land on the Lawrence Rothe farm
north of D'Hanis has made an
amazing comeback since the re-
cent rains. According to Rothe,
and others who have seen it, the
grass which was seeded following
rootplowing in April, 1955, is now
over waist-high and seeding out.

This is the second time the
panic grass has grown up and
seeded out since it was planted.
It is estimated that each acre has
produced more forage since April
1955 than 2 acres of similar
brushland. Only well managed
grass with healthy root system
can be expected to produce large
quantities of forage and make
such speedy recovery following
rains.

Oscar Bippert, who farms three
miles east of Castroville, has a
heavy cover crop of Brabham
peas growing on some of his
land at present. The peas, which
were planted in rows, are about
waist-high now. They have been
irrigated twice. Bippert plans to
shred them and mulch them into
his topsoil in about two weeks.

R. Q. Stinson, who farms be-
tween Castroville and Rio Me-
dina, has about 30 acres of guar
growing on his farm at present.
The grass has been irrigated, and
has put on a good seed crop.
Stinson plans to harvest the seed
and lull the rest of the plant re-
sidue into his soil.

Don L. Holden, who recently
purchased the Thurmond Ranch
on the Hondo-Bandera road, is
in the process of constructing ter-
races and a waterway on some of
his cultivated land on the ranch.
He also plans to construct about
six stock ponds if suitable sites
can be found.
Gene Turnbow, of Lytle, and
Reynold Keller, of Castroville,
plan to begin irrigation land lev-
eling operations on their farms this
week. Turnbow plans to level 50
acres and Keller is going to level
about seven acres.

Daniel Menk, who farms south-
west of Dunlay, recently ran con-
tour guide lines on about 50 acres
of his land. These lines will serve
as guides for farming his land on
the contour in future years.

Hondo Downs Nixon 25-12 In Grid Opene

Hondo's Owls opened their 1956
grid season last Friday night on
Barry Field with a 25-12 victory
over the visiting Nixon Bobcats.
The win marked the 13th straight
for Coach Max Carver's eleven.
Led by the bull-like plunges of
stocky Butch Woolls, the Hondo
team ripped through the smaller
Nixon line for 355 yards and 17
first downs. Woolls, the Owls'
right halfback, plowed through the
line 21 times for 168 yards.
An average of eight yards per try.
He also scored two of the four
Hondo TD's.

Quarterback Alvin Hartman,
who gained 66 yards in nine car-
ries, and halfback Ray Highsmith
tallied the other two Owl touch-
downs.

First Quarter

Guard Charles Tilley kicked
off to the visiting Nixon eleven.
Ellwood Ernst took the kickoff on
the 26 yard line. Nixon moved
to the Nixon 41 yard line. After four
tries at the Hondo line, Nixon was
forced to punt. Fullback Dor-
Hoffman got off a 35 yard punt
that Billy Neuman fielded and
returned eight yards to the Nixon
46.

Hondo was charged with a five
yard penalty on its first offensive
play. Alvin Hartman picked up
four on a keeper play, and eight
more to the Nixon 40 on the next
play. Nixon moved to the Nixon
46. Woolls shook loose for 16 yards
to the Bobcat 24. Johnny Win-
drow plunged for 10 and Hartman
drove for 12 to the Nixon 1 yard
line. With 6:55 left in the first
quarter Hartman sneaked over the
double stripe for the first TD
of the ball game. Windrow's
extra point try was blocked and
the score remained — Hondo 6,
Nixon 0.

Tilley kicked off again, all the
way to the Nixon eight, where
Ernst shook loose and returned
25 yards to the Nixon 33 yard
line. Nixon gained four yards in
three tries and was forced to punt
again. There was no return on
the punt.

Hondo took over on its own 28
yard line. Windrow picked up two
and Woolls broke loose again for
14 and a first on the Owl 44 yard
line. Woolls bolted for five, but
on the next play Hondo was
penalized 15 yards, back to its
36 yard line. Hartman unwrapped
his passing arm for the first time
in the ball game, with only 2:34
seconds left in the first quarter,
but failed to connect on two
straight. The passes were intended
for Clyde Bohmfalk and Billy
Neuman.

Nixon took possession of the
pigskin on the Hondo 30 and in
three plays ran the ball to the
Hondo 14 yard stripe. A penalty
set the Bobcat eleven back to the
19, and with that play the first
quarter ended.

Second Quarter

Two minutes deep in the second
period the Nixon team fumbled
and Hondo recovered on its own
18 yard line. Woolls ran with the
ball three successive times and
gained 17 yards. Windrow bulled
his way for 19 and another first
down. After an incomplete for-
ward pass, Woolls blasted his
way for 10 more yards and a first
down.

Hondo was charged with a 15
yard penalty on the following
play, and it was enough to halt
the Owl touchdown drive. The
penalty moved the ball back to
the mid-field marker. Windrow
gained 10 yards, but the Owls
could not move.

in three tries at the line. The
man punted 35 yards to the
return. Hondo took over on the
first play fumbled and the
alert Nixon defender possessed
the ball on the Owl 48 yard
line. Nixon couldn't take advantage
of the air in an attempt to stop
the bigger Hondo line. Hartman
intercepted a stray Nixon pass
with 3:36 left in the half. Hart-
man set the stage for the second
TD. Hartman intercepted the
pass on his own 45 and returned
it to the Nixon 34.

With Woolls doing most of the
damage (he gained 16 yards in
the drive) Hondo drove all the
way to the Nixon 2 yard line.
And with 1:04 left in the half,
Woolls rammed over for a touch-
down. Windrow's extra point
kick was good, and the score
board showed Hondo 13, Nixon
6.

Tilley kicked off again, and
Tommy Koch recovered on
Nixon 42. With only 0:27 left
left to go in the half, Hartman
took to the air and failed to
connect on three tosses. The
score at halftime — Hondo 13,
Nixon 6.

Hondo took the second
kickoff and marched 42 yards
without giving up the ball. The
touchdown. Woolls gained
yards in the drive. Hartman
and Windrow four. Speedy
Highsmith dashed over from
yards out to climax the first
TD. Windrow's extra point try
was blocked. The score remain-
ed Hondo 19, Nixon 6.

Nixon got into the touch-
down parade with a bang following
Tilley's kickoff, scoring two
TD's in the third period. The
Bobcats moved from their 42
to pay dirt, racking up the
first downs in the process. The
man tallied for the visitors was
1 yard out with 2:30 remain-
ing in the third quarter. The
extra point was wide. The
score 19, Nixon 6.

Highsmith returned the extra
point kick 16 yards to his 36.
Hondo was charged with a
yard penalty on the play, mov-
ing the ball back to the 24. Hondo's
No. 2 team, directed by
quarterback Johnny Meyer, was
charged, but failed to move the
ball the required 25 yards for
first.

A bad pass from center
fourth down allowed the Nixon
eleven to take over on the Hondo
10 yard line. Ernst circled the
end on the first play from action
made for a touchdown. The
extra point try was no good and
the score 19-12. Hondo led.

Hondo started on its final
down drive with only 0:14 left
in the third quarter. Hartman
ed 10 and a first. Highsmith
up five, and with that play the
third quarter ended.

Fourth Quarter
With the ball resting on the
Nixon 44, Woolls smashed his way
for six yards and a first down
on the first play of the fourth
period. Highsmith added five
yards and a first down. Woolls
gained five more and another
first down. Two plunges
up eight yards to the Nixon 36.
Woolls broke loose for the final
20 yards and a TD with 9:39
remaining in the ballgame. The
extra point try was no good and
leave the score at 25-12. Hondo
on the big end.

Nixon started on another
TD drive following Hondo's kick-
off, but finally bogged down on the
Hondo 34 yard line. After taking
over, Hondo fumbled on its own
45 and Nixon recovered to punt
its last touchdown drive of the
night. With fourth and only 1 yard
to go for a first on the Hondo 25
yard line, Nixon fumbled and Billy
Neuman recovered on the Hondo
24.

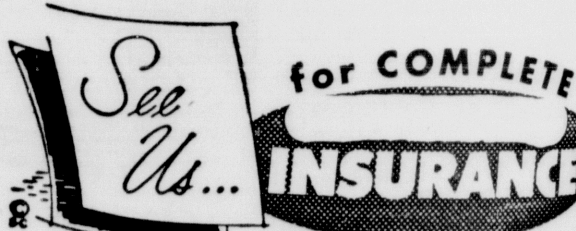

Hondo proceeded to run out the
clock and the final gun sounded
with the score — Hondo 25, Nixon
12.

PAGING THE LADIES

Miss Field Is Honored At Showers

Mrs. Olan L. Huegele who was Miss Evelyn Ann Field before her marriage, was the recipient of many lovely parties and showers. Among these was a luncheon given by Miss Candra Kenar Saturday, July 21.

Pottery and linens showers were given by Mrs. Clarence Moseley, Mrs. John Woerner, Mrs. Maey Phillips, Misses Eleanor Fields and Dorothy Menke on the patio of Mrs. Phillips' home on West Magnolia in San Antonio on July 19. Also at the home of Mrs. Gerren Stewart, San Antonio, on July 25 a pottery shower was given by Mrs. Wilbert Windmeyer and Mrs. Stewart.

A miscellaneous shower was held Aug. 2 at the Delladona Club House with Mrs. Leroy Field, Mrs. Harry S. Field Jr., Mrs. Henry Echtle and Miss Henrietta Lessing as hostesses. About 60 guests registered in the bride's book, presided over by Mrs. Joe Marchiori.

The bridal party was honored with the rehearsal party given by Mr. and Mrs. Joe Marchiori Aug. 12.

Ladies Aid To Hold Bazaar

The Quibi Ladies Aid Society, meeting last week, made final plans for the annual sausage supper and bazaar, to be held Saturday, Sept. 29. Serving will begin at 6:30 p.m.

Mrs. Arnold Balzen and Mrs. O. A. Grell were hostesses for the group, which met at the Parish Hall. A Bible study was led by Rev. Durkop.

Hostesses for October will be Mrs. Christian Nietenhoefer and Mrs. Emil Lindeburg.

A social followed the business meeting.

Mrs. Burrell Honored At Shower-Tea

Mrs. David Burrell was honored with a shower-tea Sunday, Sept. 9, at the Legion Hall in Castroville.

The lace covered tables were decorated with red carnations. Mrs. Cara Burrell, mother of the groom, and Mrs. Willie May Sittre were in the receiving line with the bride.

Mrs. Jewel Tschirhart, sister of the groom, was in charge of the guest book. Mrs. Vivian Dillard and Mrs. Myrtle Arndt served punch and Mrs. Harvey Tondre served cake.

Mrs. Melba Franke assisted the bride.

Hostesses were Mesdames Alfred Schneider, Harry Tondre, Howard Dillard, Bill Arndt, Millie Jagge, Stanley Jagge, Gene Keller, S. E. Miller, Clarence Haby, Hugo Tschirhart, Joe Sittre Jr., Hugo Haby, Robert Sittre, Paul Haass, Iris Foster, and Leonard Franke.

Miss Hinton Honored At Shower-Tea

A miscellaneous tea shower was given in honor of Miss Shirley Hinton, bride-elect of David Haass, Thursday evening, Aug. 30, in the home of Mrs. Charles Miller of Devine.

Receiving the guests with the honoree were Mrs. Richard Haass, Mrs. Charles Miller, and Mrs. Ernest Crook, aunt of the bride-elect. Registering the guests was Miss Linda Ann Haass.

The table was decorated with a large cut-work, and centered with autumn flowers of bronze and yellow chrysanthemums.

Serving cake, decorated with oil wells and oil field theme, was Miss Margaret Schott. Mrs. Dwight Black served the punch.

Hostesses for the occasion were Mesdames Charles Miller, Alfred Schott, Wilfred Schott, Eddie Schott Jr., Paul Schott, W. D. Schott, Lawrence Geisler, Fred LeBauf, Jess Goslin, Emil Schneider, Tommy Thompson, Jimmy Yarbrough, Mary Pettibon, Theodore Vance, Jimmy Tynon, Joe Vance, Alfred Brieden, Richard Irwin, and Misses Charlene Miller and Margaret Schott.

After the ceremony, a reception was held at the VFW Hall in LaCoste. Presiding at the bride's book were Mrs. Joe Marchiori and Miss Henrietta Lessing. Assisting in serving were Mrs. Henry Echtle, Mrs. Leroy Field and Mrs. Harry S. Field Jr.

After a honeymoon in Houston, the couple will make their home in San Antonio.

Grace Ann Franger

Franger-Churchill Rites Solemnized In LaCoste

The marriage of Miss Grace Ann Franger and Russell Albert Churchill, Lackland AFB, was solemnized in a double ring ceremony Monday morning, Sept. 3, by Rev. Armand J. Weber in Our Lady of Grace Church, LaCoste.

The bride is the daughter of Mr. and Mrs. Henry Franger, LaCoste. Mrs. Anna Alely of New Haven, Conn. is the mother of the bridegroom.

Mrs. Norman Olenick, sister of the bride, was matron of honor and Sam Surello of Lackland AFB was bestman. Norman Olenick and Marvin Franger were ushers.

The bride, given in marriage by her father, wore a gown of Chantilly lace and tulle. Her gown, designed with a fitted bodice, which extended to a "V" at the waistline, had a Sabina neckline dotted with sequins and pearls. The short sleeves of the dress and matching lace gauntlets were also trimmed with sequins and pearls. The wide panels of lace over the bouffant tulle formed a floor-length skirt.

Her bridal illusion veil was held by a half-hat of lace dotted with sequins and pearls. The bride carried a bouquet of white Fuji Mums.

The matron of honor wore a pale blue floor-length dress of net and taffeta with a matching stole. She wore a head band of matching blue satin and carried a bouquet of yellow Fuji Mums.

The bride's mother was attired in a 2-piece gray print dress with pink hat and black accessories.

She wore a corsage of pink carnations.

The groom's mother wore a pink lace dress with a satin bow at the neckline and a pink jeweled hat. Her accessories were of crystal and gold dinstyl. She wore a corsage of white carnations.

A reception followed at the home of the bride's parents. The guests, which numbered about 70, were registered by Mrs. Marvin Franger. Cake was served by Mrs. Gilbert Schultz.

The serving table, laid with a lace cloth, was centered with an arrangement of white Fuji mums in a tall white container with cupids adorning it. White tapers adorned either side of the centerpiece. The three-tiered cake was on a table laid with a lace cloth and baskets of white Fuji mums were placed at each end of the table.

Some of the out-of-town guests were the groom's mother, Mrs. Anna Alely of New Haven, Conn., Mrs. Pierce Stacy and Betsy of Bryan, Mr. and Mrs. Edgar Ney of Corpus Christi, Rev. Henry Herbst and Mrs. Bernice Thomas of New Braunfels.

Recent Bride Honored At Shower

Mrs. Virgil Krenmueller, a bride of Aug. 18, was honored at a shower on Saturday evening, August 25, at the annex of St. Paul's Lutheran Church.

Forty-five guests registered in the guest book presided over by Miss Betty Neuman. Cake was served by Mrs. Guy Allen Holzhaus and Miss Memory Krenmueller alternating. Mrs. Clarence Mumme Jr. served the punch.

The serving table was laid with white linen cloth and a centerpiece of white asters, flanked by white candles. The large cake at the end of the table was a white confection decorated in pink and white roses.

The honoree, Mrs. Krenmueller, wore a blue taffeta with a pink carnation corsage. Mrs. John Krenmueller, mother of the groom, wore rose crepe with a white carnation corsage.

Hostesses for the evening were Mesdames Oscar Bendele, Albina Wernette, Walter Krenmueller, Gary Bartelt, Guy Allen Douglas Bohmfalk, Alfred Weber, Charles Krenmueller Jr., W. A. Goad, Chester Beyer, George Bowen, Monroe Haass, Clarence Mumme Jr., Rudy Krenmueller, Joe Krenmueller and Miss Betty Neuman.

Miss Haass Is Honored On Birthday

By Mrs. R. R. Koch

A group of friends and relatives surprised Miss Louisa Haass on her 84th birthday last Sunday when they gathered at her home for an evening of conversation and visitation.

Refreshments of various cookies, sandwiches, potato chips and punch was served.

Guests included M&M H. J. Boehle, M&M H. G. Boehle, M&M Walter Muennink, M&M Rudolph Schott and Randy, Bobby Loessberg, Bobby Jr. and Carol, M&M Tony Constanzo and David, M&M Paul Schaefer, M&M Oscar Kauffman, M&M Lionel Loessberg, Reith and Linda.

Mrs. Allen Carpenter, Mrs. Emma Haass, M&M E. E. Loessberg, M&M Wibur Loessberg, Mrs. Albert Bilhartz, Mrs. Goldie Bilhartz, M&M Charlie Wendland, M&M Ward and children, M&M Earl Heath and Earl Wayne, M&M John Bilhartz, M&M J. C. Bradley, Mrs. Mang, Mrs. Duderstadt, Mrs. Evelyn Adams and Diane, Mrs. Joe Kauffman, Miss Emma Groff, Miss Elsie Sauser, Aaron Bilhartz, and Henry Graff.

She received a number of lovely and useful gifts.

Miss Franger Honored At Shower

Grace Ann Franger, bride-elect of Russell Churchill, was honored at a kitchen shower at the home of Mrs. Buddy Geisler in San Antonio Aug. 29.

Entering the front lawn, the guests followed a path dotted with hurricane lamps to be seated on the patio in a semi-circle, also surrounded by hurricane lamps.

Mrs. Norman Olenick registered the 15 guests present.

The serving table, centered with yellow mums, was laid with a white cloth with the skirt decorated with miniature yellow and white kitchen utensils.

Cake was served by Mrs. Marvin Franger and punch by Mrs. Buddy Geisler.

PERSONAL APPEARANCE

By Jerry June Berger

SANDRA MEYER, who has probably won as many honors as any girl from Hondo High, appeared to be "lost" Friday night at the football game. Up until this fall she has been in the student stands and doing more than her share of stirring up enthusiasm among the rah-rah section, but now that she is an ex-student she chose to sit with her parents on the opposite side of the field.

Just about two more weeks though and we predict she'll be having the time of her young life sitting in a rah-rah section of Memorial Stadium in Austin with about 10,000 other students just her age. The fun and excitement of those Saturday afternoon college games is indescribable, especially when you're a part of the cheering section.

The University of Texas is not supposed to have much of a football team this year, but win or lose, the thrill will be there each Saturday afternoon.

It's never quite the same after you've finished college, go back to a game and sit on the opposite side of the grandstand either. We'd just about as soon watch a game on TV now as to bother to make the trip up.

But then the process of getting a formal education is a continuous process of adjustments anyway.

PA

Young JOEY DOWDY who started kindergarten last week, was quite reluctant to stay at first. One day after his mother had put him out of the car he waited 'til she had turned the corner, then headed for home via a different direction. When MRS. JACK DOWDY, his mother, arrived home, the phone was ringing and MISS WILLIE FLY, teacher, told her that the five-year-old had disappeared. So she hopped back in her car, drove back to Jack and Jill School to help search, then decided perhaps he had started on the seven block walk home. Sure enough, when she got back home he was there. But his stroll had been in vain, for he found himself headed right back to school. Now this week he is so enthusiastic he pleads to go back in the afternoons too!

And then there was the case of third grader DANNY BENDELE. He went to school on opening day and wandered in to the room he had occupied last year. The day was half over before someone discovered that he again in the second grade.

Should not have registered again in the second grade.

Yes, there is a lot to getting an education that isn't concentrated in the class room.

Folks who live on the northside of town are hereby warned not to be alarmed if a skunk comes strolling across their lawn. SHUGGIE HOLLOWAY, daughter of the LESLIE HOLLOWAYS, has a pet, deodorized of course, which escaped Wednesday night and despite an extensive search the sly one has not as yet revealed his hiding place.

Miss Koch Honored At Luncheon

Mrs. A. G. Bless and Mrs. Jack Garrison entertained with a luncheon Tuesday at a San Antonio restaurant.

The courtesy was in honor of Miss Mary Ann Koch, whose marriage to F. M. Davis Jr. will take place Oct. 6 in San Antonio.

Miss Anne Davis of Hondo was among the ten guests present. The honoree received a blue pottery creamer and sugar bowl, the gift of the hostesses.

Roy Thigpens Announce Arrival

Mr. and Mrs. Roy Thigpens have announced the arrival of Joseph Dale, Aug. 10, in El Dorado. Mrs. Thigpens is the former Elizabeth Rieber of Hondo.

Maternal grandparents are M&M Harold Rieber of Hondo and paternal grandparents are Mr. and Mrs. A. P. Thigpens of El Dorado. Joseph, who weighed 8 lbs. 10 oz. at birth, is the first grandson for the Thigpens.

He is also welcomed by two sisters, Margie and Diane and has two great grandmothers, Mrs. S. E. Rieber of Hondo and Mrs. Will Batto of Bandera.

Mr. and Mrs. Olan Louis Huegele

Field-Huegele Ceremony Held In LaCoste Church

Our Lady of Grace Church, LaCoste, was the scene Saturday, Aug. 18, for the wedding of Miss Evelyn Ann Field and Olan Louis Huegele, son of P. A. Huegele, San Antonio. The bride is the daughter of Mr. and Mrs. Harry S. Field Sr., Macdonia.

The Very Rev. Armand Weber officiated at the double ring ceremony. The Our Lady of Grace Choir sang and was accompanied by Miss Betty Meecher.

The bride, given in marriage by her father, wore a floor length white chantilly lace gown, with a scalloped designed neckline and a stand up collar which was accented with a cluster of orange blossoms at the throat. The sleeves came to a point at the end of her finger-tips. Her short tiered illusion veil was caught to a crown of orange blossoms. She carried a white orchid surrounded by white split carnations.

Attending as maid of honor was Miss Sandra Kenar. Bridesmaid was Miss Eleanor Fields and

Jeanette Claire Field was Junior bridesmaid. Emery Huegele served as bestman and groomsman was Leroy Field.

After the ceremony, a reception was held at the VFW Hall in LaCoste. Presiding at the bride's book were Mrs. Joe Marchiori and Miss Henrietta Lessing. Assisting in serving were Mrs. Henry Echtle, Mrs. Leroy Field and Mrs. Harry S. Field Jr.

After a honeymoon in Houston, the couple will make their home in San Antonio.

Seco Looks For Something To Cure Lawn Suffering

Editor's note: The Seco Philosopher on his johnson grass farm is hunting for something to worry about, his letter this weeks reveals.

Dear editor:

I was out here on my farm the other cloudless afternoon looking at the sky and wondering when it was gonna rain, although understand I wasn't worrying about it, there are two things I never worry about because I figure they're out of my hands, one is the weather and the other is how people are going to vote in November, at any rate, while I was watching the sky I stumbled over a newspaper, or rather I didn't stumble on it, I wasn't moving, a puff of wind wrapped it around my legs while I was standing still, and I pulled it off and sat down under a tree and the first thing I noticed was a news article on the plight of city people in the big drouth areas of this country.

According to it, lawns and shrubs and flowers are dying in some cities for lack of water, and people are seeing a lifetime of painstaking effort lost in one dry spell.

I know this is a tragic thing, but my advice to city people is they'll just have to tighten their belts, store their lawnmowers, turn on their television, and tough this thing out. The loss of a carefully tended lawn is a serious blow, but as a man who has seen a fine crop disappear the same way, I'd say it won't be fatal.

However, I have long recognized that some city people spend more per square yard on their lawn than some farmers spend per square acre on their farm, and the lawn investment in America must run into the hundreds of millions of dollars.

Therefore, I am surprised that neither of the two parties has come out with a platform plank covering this. It seems to me

what city people need is a Soil Bank Plan for lawns and shrubs. We don't want to discourage them. The more land there is in lawns, the less there is in farm production, and the more city people work in their yards, the more they eat away at the farm surplus. You take a few million lawns out of commission and the food surplus will pile up worse than ever. A city lawn is one of the best friends a farmer has, and if Sec. Benson would bring his mind to bear on this angle, I believe he'd come up with a plan for a Lawn Support Program. Will you please call it to his attention?

Yours faithfully,
J. A.

Medina County Put Under Quarantine

By C. B. Gaston

A letter dated Sept. 4, 1956, has been received from John C. White, State Commissioner of Agriculture, stating that Medina and Uvalde Counties have been placed under quarantine for the sweet potato weevil. This order prohibits the importation or exportation of sweet potatoes, sweet potato slips, or seed sweet potatoes from or into these counties except under special permit from the Commissioner of Agriculture. Crimemobile To Visit Medina County Area

The crashing of a bottle of "Truth Serum" by Misses Suzanne and Marianne Shepperd, twin daughters of Attorney General and Mrs. John Ben Shepperd launched the Texas Law Enforcement Foundation's new Crimemobile this week at special dedication ceremonies at the Texas Department of Public Safety.

Speakers at the services were Governor Allan Shivers, Attorney General John Ben Shepperd, Colonel Homer Garrison Jr., Director of the Department of Public Safety and Park Street, Director and Chairman of the Foundation.

Attorney General John Ben Shepperd, founder of the Texas Law Enforcement Foundation, invites not only the young people but all citizens in the Hondo area to visit the sleek blue aluminum Crimemobile when in their locality.

Governor Allan Shivers designated August 27 through September 1 as Crimemobile Week in Texas stating, "By acquainting the citizens of the State of Texas with the latest techniques in good law enforcement, the Crimemobile can serve as an example to all our citizens of the good work which is being done by not only the Texas Law Enforcement Foundation, but the many law enforcement personnel working hourly over the State in protection of our rights as citizens."

State FB Looks For Members

The Texas Farm Bureau's annual fall membership campaign will get off to a flying start in Austin Sept. 20 at a big state-wide rally of county and community chairmen.

Sponsored by the state Farm Bureau, the rally will be exclusively for volunteer leaders in the organization who will be heading the local membership drives this fall. County presidents will be the only regular officers permitted to attend. About 200 membership chairmen are expected to attend the meeting which will start at noon and close that evening after a banquet. The meeting will be held at the Stephen F. Austin Hotel.

Most drives over the state are expected to be concentrated during the week of Oct. 1-6, the official Texas Farm Bureau Fall County organizations have set individual goals totaling 72,558. State Farm Bureau officials are hoping that at least 80,000 farm families will be enrolled this year. That would enable Texas to lead the South this year in Farm Bureau membership and to jump to fourth place in national membership standings.

H. W. Robertson, organization director for the Arkansas Farm Bureau, will be banquet speaker. TFB President J. Walter Hammond will address the group that afternoon. Speeches will be few and short, however. Door prizes will be given away during the afternoon and evening sessions.

State Board Of Health Adopts New Regulations

Registration of all radiation devices and radioactive materials in use in Texas is now mandatory under new regulations adopted by the State Board of Health.

Health Commissioner Henry A. Holle said the intent of the new regulations was to insure that all devices and materials would be manufactured, handled and disposed of in such a way that no person would receive excessive doses of radiation.

The regulations became effective September 1. Dr. Holle said the duties of administering them would fall to the State Health Department's Division of Occupational Health.

Written to be consistent with

the recommendations of the National Committee on Radiation Protection, the new regulations:

1. Require that persons using any type of radiation machine or handling radioactive material must notify the state health agency in writing within 30 days after starting such use. The notice must state the circumstances under which the machine or material is being used, and where the use is taking place.

2. Establish definitions, terminology, and an official radiation symbol identifying machines, materials, or rooms involved in radiation work.

3. Establish radiation concentration levels for air, water, and other environments, and require that a "responsible person" be in general charge of radiological safety programs.

4. Require continuous monitoring of personnel handling radiation equipment as a safeguard against overexposure, and the keeping of records and reports.
5. Prohibit dumping or burying of radioactive wastes without permission of the State Health Department. Accidental releases of radioactive material must be reported in full, and full reports must be made of accidental exposures when the dose exceeds five times the permissible amount.

Included among the list of radiation devices which must be registered are shoe fitting machines, and the ordinary x-ray equipment to be found in any physician's or dentist's office.

The Health Commissioner said "tremendous increases in the use of radioactivity in this state" made the regulations necessary. Industrial users of radioisotopes in Texas are among the most numerous in the nation, he indicated.

Copies of the regulations have been published and are being made available to all known users of radiation equipment. Other interested persons can obtain copies by writing to the State Health Department in Austin.

Yancey News

By Mrs. Harrison Wilson

Dr. Calvin Ward, son of M&M Lucian Ward, returned Sept. 8 from a month spent in the Hawaiian Islands, as a member of a team of research scientists sent out by the Genetics Foundation of the University of Texas.

The group of geneticists, led by Professor Stone of the University of Texas, included Professor Wheeler of Texas U., Spencer of Wooster College, Ohio, and Ward of Duke University.

Dr. Ward returned to Durham, North Carolina, after a few days with his parents, to resume his duties as a member of the faculty of the Department of Zoology at Duke University.

M&M Ray Thomasma of San Antonio, spent Sunday with the Harrison Wilsons. The Thomasmas have just returned from a two weeks vacation into New Mexico, Colorado and Yellowstone National Park. Susan Thomasma of New Mexico, who spent the summer with them, went along and they stopped by for her mother, Mr. Maria Thomasma and Sandy.

Chaplain Keplinger of San Antonio, showed a movie at the Yancey School Saturday night.

Mrs. Ben Swanger and son, George Heiligman, spent Sunday with M&M George Heiligman in Yancey. Afternoon guests were Sgt. and Mrs. Bill Walters, Alice Ann and Susie.

The George Heiligmans had word that their son-in-law, John R. Burk, of Mathis, had to return to the hospital and have a longer and heavier cast put on his leg and hip. He was up and about, but is now confined to bed. He was able to go home from the hospital.

Mrs. W. S. Garnett went to Austin Sunday for a few days with the Martin Hotters and the Bryans Frosts.

M&M B. D. Bomba are grand parents again. A daughter, Diana Louise, arrived at a San Antonio hospital and will make her home with M&M John Forest. Mrs. Forest is the former Dorothy Bomba.

new freight cars

every day since World War II

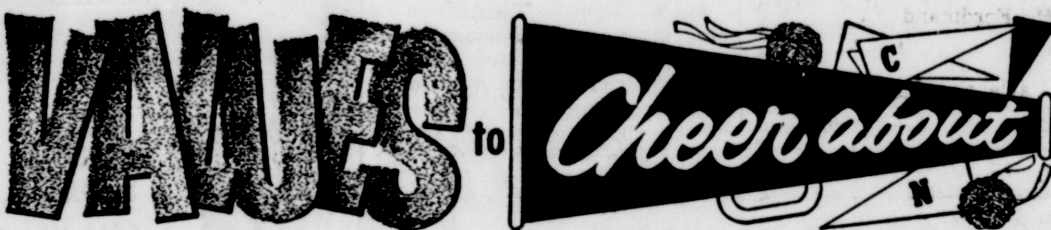

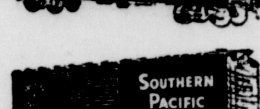

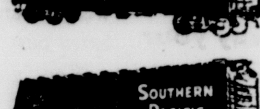

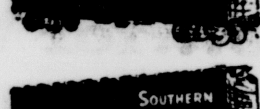

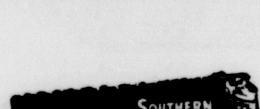

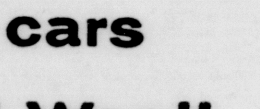

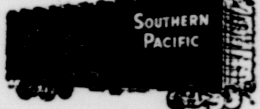

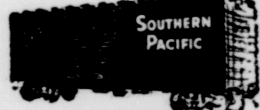

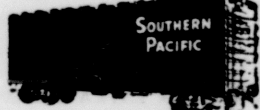

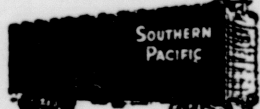

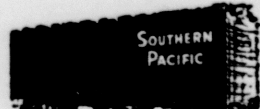

Shortly after World War II, Southern Pacific started a broad program of acquiring new freight cars to replace equipment worn out during the War and to increase the railroad's car supply.

Under this postwar program we've acquired or ordered 56,854 cars, including 34,850 box cars, at a cost of \$356,000,000.

In 1955 alone we placed orders for 15,475 cars to cost approximately \$183,000,000—a commitment of roughly three and a half times the 1955 net income of the S. P. System.

Right now we have in service something over 75,000 freight cars of all types. This represents a ten-year increase of 38% in ownership and 46% in carrying capacity. This is an outstanding railroad record.

We think this record of freight car purchases is good evidence that we are doing everything we can to take care of the requirements of our shippers.

Hondo Owls Meet Rival Del Rio At 8

Del Rio Here Next

The Owls will find a lot more greeting them this Friday night when the Del Rio Wildcats come to town than the fine Nixon Club of last week. The Owls were sluggish and lacked a certain spark against the Class B Nixon Bobcats. This week they had better be the opposite, and just as alive and sparkling against the Class AAA Del Rio, or we will all have a most embarrassing evening.

Owl Opener Disappointing

The Owls won their opener against Nixon 25 to 12, but we were all expecting the Owls to show a lot more. Their spirit was a far cry from that shown in their season finale last year, and probably the most disappointing Coach Carver has seen in his two seasons here. However, we do not want to sound all sourful, for we KNOW the Owls are a much better ball club than their opener demonstrated. As a rule, most openers uncover a lot of rusty places and as the season rolls on, the squeaks begin to be less obvious; that is, if the proper equipment is present, and these Owls DO have the tools if they care to go to work. This Friday night will be the proper place to put in a good solid 48 minutes of overtime.

How it Went

The Owls drove for about 55 yards for their first TD the first time they had possession, and we figured the reserves would see lots of action, but as it turned out the reserves did not get in as a unit until the third quarter and Nixon got a quick TD to run the score to 19-12. Coach Carver had to use his first unit the rest of the way. This hurt too, for it would have been very advantageous for the reserve unit to see how things are with live ammunition. Those boys will be needed badly later.

Hartman used a QB sneak for the year's first TD. Then, Woolis showed lots of drive just before the half to get a three yard second TD. Butch got a 19 yd. TD on a nice run in the second half.

Alvin ran the option three times the first quarter for 4, 8 and 10 yards, then a first year sneak for the TD. In all, he carried 9 times for 66 yards to get a 7.3 yds. average per try.

Butch Woolis was the workhorse, and did a fair job of trying to plow up the field. The Little Bull carried 21 times for 168 yards, and most of it the hard way — good for an eight yard average per carry. He ran for 35 in first quarter, 49 in second quarter, 25 in third quarter, and 57 in fourth quarter.

FB Johnny Windrow got 36 yards in 6 times for a 6 yard average. This was Big John's first go at FB. He has been a guard by trade, but should have lots of fun at his new found position.

HB Ray Highsmith got himself 42 yards in about seven calls for a six yard average. Ray also clipped in a five yard TD jaunt.

Passing Zero

Big Alvin found most all of his passes falling just out of the reach of his receivers. He is throwing harder this year. He threw seven times in the first half and two in the last and failed to complete a one, and on more than half the occasions the receivers were in open pasture. This is something that should not happen again. When Alvin's passes begin to connect, the Owls attack should have the spice it needs.

Some Statistics

The Owls managed to keep the ball more than Nixon. Hondo got off 30 plays in the first half to 19 for Nixon but the Bobcats went 30 times to 29 for the Owls the last half. This gave Hondo 59 plays to 49 for Nixon.

Hondo led in rushing with a very respectable 355 yards to 173. Nixon's 173 yards through the Owl line is a bit discouraging. Most of this forward wall saw action last year and THEN they seemed really unhappy when an opponent made a few yards.

and if anyone scored they got down-right mean. The Owl defense had better find that same attitude Friday night, and then hold on to it for the balance of the season. Five of ten passes were completed in the Owls secondary, which was not very complimentary either. The five passes were good for 60 yards in denominations of 12, 20, 9, 10 and 9 yds.

The Owls tried to punt three

times and got off only one, as two different centers sent snapbacks too high for the punter to handle.

Del Rio Old Rival

The Del Rio Wildcats are one of the oldest of Hondo rivals. The series has been as hard fought and interesting as it is old. The Owls should be out with all the determination the traffic will allow. The two teams have matched TD's the past two years, Del Rio winning 14 to 13 in 1954 and tying 6-6 in last year's opener. The Owls now have a 13 game undefeated streak going, and that in itself should be some desire to preserve that proud standing.

Hondo has one advantage in that they have one game under their belt while it will be the opener for Del Rio.

Del Rio runs the split "T" and will go with the "belly series" — a good QB could give the tackles, ends and line backers a busy night. It will be their hustle and alertness to each possibility that will spell the Owl success. Then too, if the Owls can grind out the yards and keep possession, the less they will have to worry about the fast split "T" action. Some good old fashioned hard tackling can cause fumbles with this formation too. Some well placed tackles could help the Owl cause immensely.

Owls Concerned

The Owls are concerned about themselves. . . no one is more aware than they that they lacked a certain spark last Friday and in some of their workouts. It could be that all of us fans have been saying and thinking "just wait 'til these '56 Owls start their season, etc." It could be the boys heard too much of it, but the boys should know this. . . games are not won or opponents stopped on what the fans think or want to think, nor is any true fan expecting the Owls to be world beaters. It is up to THIS Owl team, as of all clubs of past and future years, to prove WHO who will put the '56 season in the record books with the Owl history of the past. . . they have to be a closely knit group of boys for THEIR team, and the fans need to get on the band wagon too to help the boys find the spark they have and want to explode.

Yardstick For Desire

We cut this out of Johnny James' column last December, waiting for the time to use it. I think each Owl should cut it out and put it where he can see it every day.

That desire and excellent physical conditioning are the secrets of Oklahoma's success under Wilkinson. He has theories on both sides that all could follow without damaging their chances for success. "The way to get in shape" he says, "is to punish yourself AFTER you get tired. A GOOD player will do this and a poor one will go hard for two plays and rest one play."

As to that intangible thing called desire, Wilkinson says, "the way to tell whether they've got it is to count your men within eight yards of the ball when it is blown dead. If nine or ten are there, you're okay. If they're scattered, you have a team with poor desire".

Stan Hollmig

The end of baseball season came at about the right time for Stan Hollmig came up with an injury a few days ago that requires a long rest. Stan has a ruptured blood vessel in his right shoulder and complete rest is necessary as there is danger of a blood clot. Stan had planned to play winter ball at an attractive salary but that is out now. He was even told not to do any shooting for fear of aggravating the shoulder. Hollmig does not know how the injury occurred, but his arm has been swelling for some time. Like DiMaggio, Stan has been plagued by injuries all through his professional baseball career!

Hurricanes End Season

The Hondo girl softballers called it a season last week, but not before finally winning a 7-2 game against LaCoste, a team and pitcher they had not been able to beat all summer. Mgrs. Robinson and Cunningham deserve a lot of credit for running the ball club all summer. The girls have a fine time and what better way is there for them to occupy their time?

Hwy. 90

D'Hanis has disposed of Castroville and LaCoste of Rio Medina in the Hwy. 90 play-offs. This makes it D'Hanis and LaCoste in the best two out of three series for the championship.

SATURDAY, SEPT. 15

We are opening a new Drive Inn for your convenience. We will be at your service to serve everyone. We will sell: Tamales, enchiladas, tacos, hamburgers, hot dogs, and all kinds of refreshments.

GALLARDO'S DRIVE IN

1510 16th St.

Mr. and Mrs. Domingo Gallardo, Prop.

After an unimpressive 25-12 victory over the Nixon Bobcats last Friday night, Hondo's Owls will take on the Del Rio Wildcats on Barry Field tonight at 8.

Coach Max Carver put the Owls through one of their hardest workouts Monday evening. As to Friday night's game, Carver said, "We're going to have to play ball to win — not like we did against Nixon."

The biggest problem facing the Owls this far is wind — the Owls are out of shape and Carver is trying to get them in their best for the Del Rio game.

During Monday's workouts, Alvin Hartman, 195 pound quarterback, was taking his share of tackles as was Johnny Windrow, 180 pound fullback.

Injuries took their toll in the Nixon game — Tommy Koch will be out of the Owl lineup for the Del Rio game with a knee injury. Butch Woolis, 170 pound half back, was nursing an injured

neck but will be ready for the Friday night game.

A big problem against the Owls is the fact that Del Rio has not played a game as yet and Owl scouts have not had the chance to see what they really have.

According to the Del Rio News Herald, the Wildcats turn a deaf ear to the old declaration, "They shall not pass." Athletic director Glenn Scallorn and Coach Larry Powell of the Wildcats, came back from the Texas Coaching School with strictly passing fancies.

Pete Latham and Gerry Hill keep the sky cluttered with pigskins. They have given up their ground game for air — which may make it pretty rough for the Owls. Ends Joe Ricks and R. J. Patterson, halfbacks Buddy Elledge and Duane Deaton, and even fullback Kimball Mitchell have had the leather tossed their direction at almost every practice session.

The passion for passing is something new in the Scallorn-Powell regime but interviews prove he is dead set on throwing the games — pass, pass, pass, and for good measure, pass some more.

Del Rio has scrimmaged Martin High of Laredo and the Tomcats, Del Rio B Team.

Woolis has been closed as last Friday's outstanding player — he carried the ball 21 times for 168 yards and an eight yard average per try.

Little 135 pound John H. Meyer was leading the blue team (second string) against the first string during workouts this week. His jump pass was working when a receiver was there. When the whites began their offensive, the blues tried but couldn't hold them long.

A little experience should show quite an improvement over the Friday night performance on Barry Field.

Comets Take Win

Experience and control of the ball spelled out victory for the St. Louis Comets as they churned to a 25 to 7 victory over the Brackettville Tigers last Friday night. Co-captain Royce Groff scored three of the Comet touchdowns and one extra point while Stephen Haby accounted for the other TD. Lionel Jefferson tallied for Brackettville.

It was Brackettville that scored first, as Francis Lutz had a slight case of first game jitters. A converted end, he moved to the wing-back slot this year and on his first carry, lost the ball on a fumble. Jefferson grabbed it in mid-air and scooted 55 yards for a touchdown. The try for point was good and Brackettville led 7 to 0.

After being stalled by penalties, the Comets started rolling in the second quarter as Groff hit the right side of the Tiger line and plunged over from the two. He also added the extra point and the game was tied. Lutz, who kicked well all evening, kicked into the end-zone and the Tigers took over on the 20. Castroville got a break as Brackettville fumbled on the 23 with the Comets recovering. Groff and Bobby Tschirhart moved the ball down to the one and again Groff punted over. The try for point was no good.

Brackettville came back strong to make their only sustained drive of the evening. Jefferson returned the kickoff to the Comet 36 yard line and the Tigers clawed their way inside the 20 before time ran out and the half ended with the score at 13-7.

In the second half, the experienced Comet line began to show more clearly as they held Brackettville to a net gain of one yard in the whole half. Turning in a fine game were Justin Jungman, Dennis Haby and Rodney Tschirhart, and two new starters, James Jungman and Charles Pettibon. Also a demon on defense in the middle line-backer position was Lutz, who shook off his jitters and made some nice runs during the second half.

The only scoring in the third quarter came at the end of a long drive. Groff shook loose around right end and raced 23 yards for

Royce Groff

his third touchdown of the evening. It was only the fine punting and running of Lionel Jefferson that kept the game from turning into a riot — Brackettville was unable to move on the ground or in the air.

With only five minutes to go in the fourth quarter, the Comets scored for the last time. They shifted into the double wing and Stephen Haby swept around right end for 31. He shook off one tackler at the line of scrimmage and then side-stepped his way around three defenders in the secondary to score. With the clock running out quickly, Brackettville tried to stay in the game, but the Tiger roar was reduced to a purr as the Castroville linemen broke through to roll them back. A few Comet subs got into the game just before the end. Among them was Bryan King who got in for one play and one tackle.

The statistics were a bit lopsided. St. Louis rolled 294 yards in 61 plays and made 14 first

downs, all on the ground. Brackettville made 51 yards in 30 carries and completed one pass for nine yards. However, Jefferson and Tony Cadena returned punts and kickoffs well — it was in these departments they made their biggest yardage. Cadena also played a good game defensively for the Tigers, being in on many of the tackles.

The Comets took on Natalia at Castroville Thursday night.

Devine Opens Season Against Mavericks

The Devine Warhorses will take on the powerful Pearsall Mavericks for their opening game of the 1956 season in Devine tonight.

Coaches Jerome Davis, Marvin Gustafson and Mack Estes have 14 lettermen returning and held practice sessions two hours twice daily for two weeks until school started, when they returned to the regular after school sessions.

Six of Devine's returning lettermen are back field players — C. D. Shaw, J. E. Dubose, George Black, R. E. Savage, Dale Fell and Donald Ridgeway. The other eight, Bill Brown, Bradford Bush, Johnny Zapata, Martin Fernandez, Ronnie Peterson, Louis Poerner, Ruben Gallegos, Lee Buentillo and Cotton Wilborn are linemen.

Eight more boys will be included in the traveling squad. They are Bill Klingman, Sidney Pierce, Bill Leuschner, Ronald Evans, Bobby Tyler, George Hamilton, Charles Crouch and Bobbi Brown.

Pearsall

The Mavericks opened their season last week by defeating the Pleasanton Eagles 26-0. All-District tackle Rube Stacy has been lost for the entire season following a hip and knee injury received in a car-truck collision two weeks ago.

Pearsall's line averages 164 pounds per man while the backfield weighs in at 156 pounds per player.

Coach Dutch O'Neill has six seniors on his starting eleven.

They have also downed the Pearsall exes 21-6 in their only other game of the season. Probable starting lineup for the Mavericks will include Bob Andersen, right end; Herman Martin, right tackle; Don Kennedy, right guard; Herman Holt, center; J. R. Stacy, left guard; Gerald Mann, left tackle; B. Cantu, left end; Don Gardner, quarterback; D. McCormick, left half; Fidel Villarreal, right half; and Gary Stacy, fullback.

Herman Sisters Hear Plea For Junior Club

At the regular meeting of Hondo Victory Lodge No. 161, Tuesday night, the Herman Sisters heard a plea by Sister Lydia Goforth of Comfort for the need of a Junior chapter of Herman Sons in the Hondo area.

Sister Goforth, State Youth Counselor of Grand Lodge Sons of Herman, related the activities, including summer camp, open for the youth between the ages of ten and eighteen years. Brother Joe Steinle, of the Dunlay chapter, was also a guest and offered his assistance and cooperation in organizing a Hondo-Dunlay Junior chapter. Sister Goforth was accompanied to Hondo by Sister Flack, president of Comfort Sister lodge.

Forty-eight members and three guests attended the meeting, which was presided over by Sister Ida Jagge, president. New applicants initiated into the local chapter were Sisters Bertha Frieda Grell and Eileen Emma Saathoff.

An invitation was extended to Victory Lodge No. 161 to attend the next regular meeting of Hondo Lodge No. 236, Sons of Herman, on the night of Oct. 2, in Herman Sons Hall. There will be a guest speaker from Grand Lodge and a tamale supper will be served. The Sisters were urged to bring prospective members, including Juniors.

Hostesses for the social hour were Sisters Lois Dowdy, Mary Fohn, Lena Mae de Montel and Anne Davis.

The new starting time will be

7:30 p.m. instead of 8 p.m., beginning at the next monthly meeting, Oct. 9.

P. O. Love Dies After Long Illness

P. O. Love, 82, died Sept. 4, 1956, in San Angelo, following a lengthy illness. The father of Mrs. Frank Williams, Love had been a frequent visitor to Hondo over the years.

Funeral services were conducted at Vanderpool Sept. 6. In addition to Mrs. Williams, he is survived by four sons and two other daughters. They are Gus Love, Eldorado; Clarence Love, Goldthwaite; Preston Love, Sonora; Lendon Love, San Antonio; and Mrs. D. A. Hicks and Mrs. Grace Kuykendall both of San Antonio.

Three brothers, one sister, 12 grandchildren and five great grandchildren also survive him.

Here in Hondo

Miss Hilda Leinweber spent the past week in San Antonio, visiting M&M Homer Leinweber and Timmy and M&M Bill Garland and children.

M&M Arthur Lutz and family and M&M Alfred Rudinger visited M&M Otto Rahm and family at Boerne Sunday. They also visited Mrs. Mary Haby at Comfort.

Wildcats Tackle Trojans

Castroville's Wildcats will take on the Charlotte Trojans tonight their first game of the season to the Southwest Dragons last week 24-0.

Although Charlotte coach Larry Kiesling describes his 1956 Trojans as "green and inexperienced," the Wildcats will probably have their hands full. The Castroville line is weak, as shown in last week's game against Southwest.

Charlotte lost 10 boys, including eight starters from last year's team, which narrowly missed a district championship. Quarterback George Baker returns to haunt his opponents, but the rest of the starting backfield was lost through graduation — Gerry Tallos, Mike Alaniz and Robert Vrana.

Besides Baker, the Trojans have Eldon Brauchle, Danny Williams, Lloyd House and Richard Baring returning from last year's team. Brauchle was sidelined most of last year with a leg injury.

Rio Team Takes LL Title

The Rio Medina Kittens emerged as the trophy winning team of the Medina Valley League in "Little League" baseball.

Closing the 1956 season with a revengeful victory over the tough little Castroville Cubs, the Kittens counted only two losses for the entire season, one during league play and one during the final play-offs. Both losses were dropped to the scrappy Cubs.

Other members of the league included Southwest and LaCoste. Castroville had boasted a second team, the Paposes, who dropped from the league early in the season.

All four teams gave an excellent account of themselves and thrilled fans with some very good games. From the looks of things these purring kittens will soon become growing "Tigers" in the Highway 90 League.

The Rio Medina Little League and Pony League teams were honored with a "soda water" party by Mr. and Mrs. Raymond Schott at Schott's Place Saturday evening, Sept. 8. Sandwiches and cake were served by the team mothers.

HE WANTS TO BE A FULLBACK -- LIKE HIS FATHER

It means a lot to a boy to be close friends with his father. He's apt to want to dress like him, be like him, play his old position on the football team. And if he sees his father's REGULAR DEPOSITS at the bank bear interest and build up enough to buy a bicycle, he's likely to take up the habit of thrift for himself — and later, for his children. One of the best favors that fathers can do for their children is to start them young with a helpful, soundly managed bank. And who could be more welcome here than the young people whose families have dealt with us for years!
